

CAREER OBJECTIVE

Passionate Software Developer with expertise in Full-Stack Development using Java, Python, Sql, Spring Boot, & React.js. Strong problem-solving skills with hands-on experience in building web applications and AI-powered solutions. Seeking an opportunity to contribute technical skills and innovation in a dynamic team.

EDUCATION

Bachelor Of Technology (CSE)
Vaagdevi College of Engineering (2020-2024) | CGPA: 7.9

Intermediate (MPC)
Vaagdevi Junior College (2018-2020) | CGPA: 9.3

High School (SSC)
ST. Thomas High School (2017-2018) | CGPA: 7.0

TECHNICAL SKILLS

Programming Languages: Java, Python
Backend: Spring Boot, JSP, Servlets, JDBC
Frontend: HTML, CSS, Bootstrap, JavaScript, React.js(Basics)
Databases: SQL
Dev Tools: Git, GitHub, Visual Studio Code, Eclipse, MySQL Workbench

PROJECTS

Project-1: Student Management System
Technology : Java, MySQL, JSP, Servlets, Jdbc, HTML, CSS, JavaScript
Description : Developed a **web-based student management system** for adding, updating, and managing student records. Implemented **secure authentication** and **data validation** for seamless user experience.

Project-2: Document Chatter Web App
Technology : Python, Flask, JavaScript, HTML, CSS
Description: Created a **real-time document chat system** allowing users to upload files (PDF, Word, PPT) and discuss them via chat. Integrated **NLP capabilities** for document summarization and automated responses.

Experience

Trained Java Full Stack
Vcube Software Solutions, Hyderabad July,2024 – March,2025

- Completed hands-on training on Java Full Stack Development, covering both front-end and back-end technologies.
- Acquired strong knowledge of Core Java, Spring Boot, Hibernate, and RESTful Web Services.
- Gained experience with frontend technologies such as HTML, CSS, JavaScript, React.js/Angular.
- Worked on database management using MySQL/PostgreSQL.
- Built end-to-end web applications during training, following MVC architecture and best coding practices.
- Practiced version control and collaboration using Git/GitHub.
- Developed problem-solving skills and understanding of software development life cycle (SDLC).

Internship

Full Stack Java Development Application - Internship

Manac infotech Pvt Ltd, Hyderabad | March 2024 – May 2024

Description : A Full Stack Java Development Internship involves hands-on experience in designing, developing, and maintaining both the frontend and backend components of web applications using Java technologies.

CERTIFICATIONS

Java (Basics, Intermediate) – HackerRank

Python Fundamentals & Android Development – Great Learning

Front-End Web Development – Code Clause

SQL – Learn Tube

NCC (National Cadet Corps)

ACHIEVEMENTS & LEADERSHIP

Gold Medalist in NCC Training – Leadership, Drills & National-Level Participation

Hackathon Participant – Competed in coding competitions

Environmental Quiz & FIT INDIA Freedom Run 2.0 – Active participation

DECLARATION

I hereby declare that all the above mentioned information is true and correct to the best of my knowledge.
